

Ignite XL 50"

- Improved Optiflame® flame effect
- Patented ComfortSaver heating system
- Coloured fuel bed incl. acrylic ice

IgniteXL™ stands apart as more lifelike and visually stunning than anything that came before it. With new, patented flame and heat technology, IgniteXL transforms the look and feel of any room. Installation is simpler and more flexible than ever, making the possibilities almost endless. Enjoy flawless panoramic views that Ignite the senses from any angle.

ComfortSaver® Heating System

The patented ComfortSaver® ceramic heating system uses up to 11% less energy than the leading quartz infrared heater by automatically adjusting fan speed and heater wattage to safely and precisely match the requirements of the room.

Colour Themes

Choose from a variety of brilliant colour themes or cycle through a range of colours using the prism mode, freezing on the hue of your choice.

Multi-function remote

Control 100% of the fireplace features from the comfort of your chair.

Heat Boost

Quickly warms a room by delivering maximum heat output for a pre-determined amount of time.

Year-round comfort

Enjoy the ambiance of the flame with or without the heater for year-round comfort and enjoyment.

Media Bed

Diamond-like acrylic ice ember bed chunks sparkle with the reflected light.

Edge-to-Edge Glass

Clean-face design offers flawless panoramic views.

Built-in Touch Controls

Backlit controls are hidden when not in use.

Seamless Installation

Low-profile design fully recesses in wall construction.

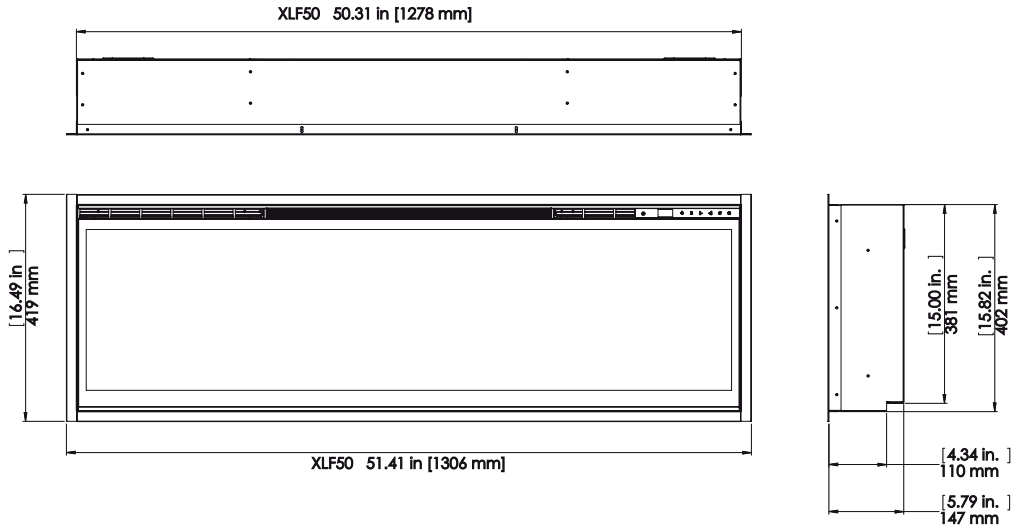

Multi-Fire XD® Flame Effect

Multi-Fire XD® Flame Effect A true alternative to gas, the patented Multi-Fire XD™ flame effect accurately reproduces a natural flame.

Safe

With no flame heat or emission and a glass front that remains cool to the touch; our fireplaces are the safe choice for your home.
